

HAMPTON, PHOEBUS AND OLD POINT—Continued.

BIG TOURNAMENT ARRANGED
FOR BUCKROE BEACH PATRONS

Mayor Thornton F. Jones, "The Tournament Wizard" Has Charge of the Affair.

The fourth annual tournament will be given at Buckroe Beach on Tuesday afternoon, August 28, when riders from Smithfield, York county, Elizabeth City, Warwick counties and Newport News, will be among the knights in the tilting.

Mayor Thornton F. Jones, known as the "tournament wizard," will be in charge of the affair. It is his intention to make the tournament this year the most successful one yet held.

While the arrangements for the event were started only yesterday Mayor Jones is confident that the program will be the most attractive ever offered at a local tournament.

Manager Charles W. Rex has arranged another dancing contest for the Buckroe Beach pavilion, which began last night. Two gold medals have been purchased and will be offered to the lady and gentleman who are declared to be the best dancers; visiting the beach this week. The contest will conclude on Saturday evening, when the medals will be awarded to the successful contestants. It is the intention of Manager Rex to close the contest with a big masquerade ball Saturday evening.

SADIE MONROE, PHOEBUS
WOMAN, IS FINED \$50

Acting Mayor Crawford Began His Work in Police Court by "Soaking" an Old Timer.

Acting Mayor Samuel Crawford, who is to preside over the Phoebus police court during the absence in Milwaukee of Mayor L. P. Furness, began his duties yesterday morning with determination. For that reason Sadie Monroe, who has been a source of trouble to the police looked gripped. Sadie was up on the old charge of being drunk and of a bad character.

Without much ado Mayor Crawford thought that a fine of \$50 and costs would about fit Sadie's crime, and now Sadie will have three long months in Hotel de Curtis, where the menu card does not include the best of "wines." As Sadie remarked she is good for three months on the "water tank."

PHILADELPHIA NEGRO FINED
UNDER THE STREET CAR LAW

Quaker City Fellow Objected to Move and Another Colored Chap Started a Row.

In the Hampton police court yesterday morning James Savage, a negro from Philadelphia, was before Mayor Thornton Jones to answer the charge of refusing to change his seat in a trolley car, when told to do so. He was assessed \$10, which he paid.

George Powell, colored, became unruly on a car in an attempt to "take the part of his friend," and Mayor Jones thought that \$5 and costs would teach Powell to attend to his own business in the future.

Benjamin Page, an old timer, and James Brown, were each assessed the sum of \$2.50 and costs for using bad language.

TO KILL THE DANDRUFF GERM.

Is the Only Possible Way of Having An Effective Cure.

If you see a woman or a man with luxuriant glossy hair, you may be sure neither has dandruff to amount to anything. In nearly every case where women and men have thin brittle hair, they owe it to dandruff. There are hundreds of preparations that "claim" to cure dandruff but not one but Newbro's Herpicide tells you that dandruff is the result of a germ burrowing into the scalp, and that permanent cure of dandruff and its consequent falling and baldness, can only be had by killing the germ; and there is no other preparation that will destroy that germ but Newbro's Herpicide. "Destroy the cause, and you remove the effect." Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
